Suite 100
Columbia, SC 29210

To the Commission:

Checker Yellow Cab Company Inc., FastServ Taxi Leasing, LLC, West River Taxi Leasing, LLC and Congaree Taxi Leasing, LLC hereby request a waiver to PSC Regulation 103-153 as it pertains to lettering. We would like to request the "owned by" markings be allowed to be two inches in height due to the amount of space required. Three inch lettering would exceed the amount available door space on the vehicles.

Sincerely,

Kimberly Ball
